USA BOBSLED ★ SKELETON PRESENTS:

FANTASY CAMP

Push Your Limits.

Train like an Olympian for a weekend.

JUNE 6 - 9, 2024

Lake Placid Olympic and Paralympic Training Center, New York

Join the USA Bobsled ★ Skeleton Foundation to **live YOUR dreams** at Lake Placid Olympic and Paralympic Training Center. The Bobsled/Skeleton Fantasy Camp is a 3-day immersive experience where you will live the life of a USA Olympic athlete.

THE EXPERIENCE

This is an experience for EVERYONE, regardless of your fitness level.

The Fantasy Camp offers its participants an opportunity to experience the thrill of being a world-class bobsled/skeleton athlete. Designed to mirror a high-performance Olympic training camp environment, participants train at state-of-the-art facilities in Lake Placid, NY.

Participants will learn from the best, receiving training through drills with world-class athletes, competition, video analysis, and educational seminars. After being fitted with official USABS gear, attendees will get to live and push alongside current and former top-ranked elite USA Bobsled/Skeleton athletes! This opportunity includes lodging accommodations at the Olympic and Paralympic Training Center, meals, and a weekend filled with fun and camaraderie. As this is a fundraising event for USA Bobsled/Skeleton Foundation, a non-profit organization, a portion of the registration fee will be tax deductible.

HIGHLIGHTS

- ***On-ice training at the one and only, state-of-the-art ice house push track***
- ***Housing at the United States Olympic and Paralympic Training Center in Lake Placid***
- ***Tour of newly renovated Olympic & Paralympic Museum***
- ***Quality time with Olympians and Coaches***
- ***Instruction from Olympians including proper start, steering, and racing techniques with a strong emphasis on safety***
- ***Video review of sliding session with coaching staff***
- ***Official USABS gear***

MEET THE COACHES

CURT TOMASEVICZ

Director of Sport Performance and former Bobsled Push Athlete

Curt is the current Director of Sport Performance and a former bobsledder, college football player. Curt is also a professor at The University of Nebraska. He is a 3x Olympic Bobsledder with gold & silver medals.

ARON MCGUIRE

CEO of USA Bobsled/Skeleton and former Bobsled Push Athlete

Aron has been the CEO of USA Bobsled since 2020. Aron was previously the Sr. Director of the U.S. Olympic & Paralympic Training Centers, and held several different positions within USA Track and Field. Aron was a member of the USA National Team and competed for Team USA at the World Cup and World Championships.

HANNAH BEAUMONT

USA Bobsled/Skeleton Operations Manager

Hannah currently works as Team Operations Manager, handling all on-the-ground operations and logistics for both US Bobsled & Skeleton Teams. She joined the USABS Staff in 2020, after five years working for the USOPC at the Lake Placid Olympic & Paralympic Training Center, coordinating programs for various sports.

JOSH WILLIAMSON

Current USA Bobsled/Skeleton Athlete

Josh is a 2022 Olympian, World Cup Medalist, and Division 1 Lacrosse Player. Josh has competed on the World Cup circuit since 2019. Lover of all things strength, speed and power!

KAYSHA LOVE

Current USA Bobsled/Skeleton Athlete

Kaysha is an American Olympic Bobsledder and former collegiate sprinter. A two-time Second Team. All-American in track and field. Kaysha competed in the 2022 Olympics as a push athlete but has switched to the driver's seat. She is currently competing on the World Cup circuit.

RILEY TEJCEK

Current USA Bobsled/Skeleton Athlete

Riley is a first lieutenant in the United States Marine Corps and only active duty Marine on the USA Bobsled Team. She has competed as a Bobsled Pilot for three seasons competitively now and was named the 2021 Marine Athlete of the Year.

FRANKIE DEL DUCA

Current USA Bobsled/Skeleton Athlete

Frankie is a 2022 Olympian and 3x World Championship Competitor. He has a Bachelor's of Science in Kinesiology/Exercise Science and is a Certified Strength and Conditioning Coach through NSCA.

WORLD-CLASS TRAINING CENTER

Lake Placid is home to the Olympic and Paralympic Training Center and the only indoor push track for bobsled/skeleton in the United States. A \$74 million investment at Mount Van Hoevenberg is the Mountain Pass Lodge. The home to America's only refrigerated bobsled and skeleton start track, as well as the sprint track and an extensive weight room. Fantasy Camp attendees will experience the sport firsthand as they make their way down the one and only indoor push track.

ACCOMODATIONS

Work Hard. Recover Well.

LAKE PLACID OLYMPIC AND PARALYMPIC TRAINING CENTER

Guests will experience a performance-driven environment at the best training venue in the world, and then rest and recover in peaceful and comfortable accommodations on the same property.
