Centerplate is one of the largest hospitality companies in the world, with 250 North American sports, entertainment and convention venues. We are the largest food service provider for the NFL, a major provider to professional baseball, and we partner with six of the top ten most active convention centers. No stranger to marquee events, we've hosted countless landmark occasions, including 12 Super Bowls, 20 World Series, 15 official U.S. Presidential Inaugural Balls, more than 100 major College Bowl Games and the largest plated dinner in history at the Alpha Kappa Alpha Centennial Celebration. We attribute this continued growth and success to an unwavering commitment to our E3 formula: Executing Extraordinary Experiences.

Executing Extraordinary Experiences is treating each guest as an individual, whether they're a guest in a group of thousands or joining us at any of the many games, events and meetings we host each day. We are committed to surpassing guests' expectations through genuine hospitality.

Executing Extraordinary Experiences also means providing our clients with a total solution platform that goes beyond solely serving food. At Centerplate, we take a collaborative business and brand-building approach to hospitality services, using our industry expertise and innovative thought-leadership to develop total solutions that drive our clients' profitability, while enhancing their brand reputation.

With industry tenure of 80 years, we proudly boast a phenomenal team of executives and front-line talent, successfully proven programs and processes, and impressive guest satisfaction for events of all scale. In this way, we provide the spark that turns guests into fans – and venues into destinations. It's no wonder our average client partnership spans more than 15 years.
